**ATTEMPTED SUICIDE.**—Wm. H. Martin, aged 22 years, a brakeman on the Midland road, attempted to commit suicide near the bridge over Hood's run, on King street, yesterday evening. Martin, who had been drinking, was with a young man named Chichester, when Mr. Lev. Finks, at whose house he is boarding, approached him and tried to induce him to go home. Martin thereupon drew a small pistol, placed it to his side and fired. The ball entered an inch or so above the left nipple, struck a rib and took a downward course, inflicting a painful, but it is thought not dangerous, wound. After the shooting the man walked away for some time and was then taken to his boarding house where Dr. O'Brien attended him. Martin is from Warrenton but has been living in this city for some time. One of his brothers a few years since attempted suicide in the same manner.

**FAIRFAX COUNTY ITEMS.**—The democrats of Lincoln met last night and organized a campaign club by the election of Geo. K. Pickett, president; G. M. Head and J. W. Vaughan, vice presidents; M. Miller and George Auld, secretaries, and Wm. Byrne, treasurer. The meeting was well attended and there was much enthusiasm. The club will meet every Thursday night.

The house and all its contents, of Nancy McGruder, colored, near the Triadelphia Mill dam, was destroyed by fire yesterday. The woman had gone away from home and left her three children, who say that they were playing in the yard when the house caught fire. Nothing was saved.

The frame house recently occupied by Adams, colored, near the entrance to the Theological Seminary, was destroyed by fire on Thursday night.

**POLICE REPORT.**—Last night was clear and cool with three prisoners and one lodger at the station house.

The Mayor this morning disposed of the following cases:

Stephen Smith, arrested by officer Arrington for being drunk and disorderly was fined \$2.50.

Winter Crutcher and George Lamb, arrested by officers McCuen, Davis and Jones charged with disorderly conduct, were discharged for want of evidence.

Wm. Johnson, colored, arrested by officer Jones for disorderly conduct, was sent out of the city.

**MISSING.**—Mr. James Brown, jr., and wife, of Washington, the parents of Miss Susie Isabel Brown, are making anxious inquiries as to her whereabouts, as she has not been seen by them since Thursday morning. At the regular hour Thursday morning she started for school, where she arrived on time, but left again, saying she was going to see a sick friend on Capitol Hill. Since that time she has not been seen by her parents or friends. She is a well built girl, 17 years old. It is reported that she left a note saying that her body would be found at the bottom of the Potomac. Mr. Brown was formerly from Fairfax county, and both he and his missing daughter are well known in this city.

**COUNTY POLITICS.**—A meeting was held Thursday night by the democrats at Walker school house, in the county. A McKinney and Hume club was organized by the election of C. B. Graham, president; Fairfax C. Minor, R. A. Veitch and E. T. Sisson, vice presidents; James E. Clements, secretary, and John W. Clark, treasurer. A committee was appointed to draft by-laws for the club and Thursday nights were set as the times of meeting. Several contributions were made to the club and much enthusiasm was shown. The club adjourned until Thursday night next, when a definite plan for the thorough canvass of the county will be laid out.

**BITTEN BY A DOG.**—Howard, the little four-year-old son of Mr. Dow Scott, while playing in the yard of Mr. Eugene Poole, on Prince street, yesterday evening, was badly bitten by the latter's shepherd dog. The little fellow had been playing with Mr. Poole's children when the latter went in the house to be dressed for the evening. During their absence the little fellow, who was in the yard alone, was attacked by the dog which knocked him down and bit him about the head, badly lacerating the scalp. Drs. Jones and Ashby attended the little sufferer who to day is much better.

**ACCIDENTS.**—John Bright, while carelessly handling a pistol at his home on Peyton street, near King, last night, shot Lewis Boswell in the head by the accidental discharge of the weapon. The ball inflicted only a flesh wound, which is not considered dangerous.

A little colored boy named Moses Wilson, ten years of age, was run over by a cart at Corbett & Yoh's brick yard this morning and badly hurt.

**IRWIN BROTHERS CIRCUS.**—The Waterbury American says of the Irwin Brothers' show which will exhibit at the old Fair grounds next Wednesday, Thursday and Friday: "The circus is clean, entertaining and amusing. All patrons of the circus, and the skill of Robert Steinkney as a bareback rider, and his showing his graceful and daring acts with the Irwin's circus. None is the equestrian ring can excel Steinkney. The Irwin's themselves as gymnasts, rank with the very best. In the same line of work the Irwin's are exceedingly clever. The performing dogs and monkeys are wonderfully bright creatures. Some of their many amusing tricks are apparently but human intelligence. The Irwin's troupe of ponies is worth the price of admission. Excellent tumbling is done by Bensch and Lick."

**MUSICAL ENTERTAINMENT.**—A very interesting musical and literary entertainment under the auspices of Oriental Lodge, K. of P., was given at their Castle last night to a very large and appreciative audience of ladies and gentlemen. The following program was well rendered: Quartette, Misses Edie Lynch and Nettie Manfield, Messrs. Herbert Ramey and J. W. Beebe; Solo, Miss Ida Baggett; Dutch specialties, Mr. Harry Given, of Washington; Solo, Miss Anna Loh; Recitation, Mr. E. R. Boyer; Duets, Misses Dora Pierpoint and Ida Baggett, Miss Lula Rathbone, pianist. After the exercises refreshments were served by the lodge. A number of ladies and gentlemen from Washington were present.

**ANOTHER CHARTER.**—Judge Norton today granted a charter to the American Security and Trust Company. The objects of this company are to loan money and for such other purposes as the leading trust companies in New York, Philadelphia and the larger cities perform. The capital stock is not less than \$1,250,000 divided into shares of \$100. The officers are Albert T. Britton, president; C. J. Bell and A. A. Thomas, vice presidents; J. K. McCammon, secretary and M. G. Emory, treasurer, all of Washington. The directors are gentlemen from Washington and Philadelphia and the incorporators represent many millions of dollars. The principal office is to be in this city at 123 south Royal street, though most of the business will be transacted in Washington. Col. F. L. Smith is named as the local attorney for Virginia.

**INDIAN SUMMER.**—This latitude is now having occasional spells of "Indian summer" weather. This may be expected with each recurrence of a "cool wave," beginning after the westerly winds have lost their high velocity. The golden skies of October are the charm of America's autumn climate.

## MEDICINAL.

**Take  
Simmons  
Liver  
Regulator  
One Dose  
WORTH  
100 Dollars**

DEAR S. L. R.—FRIENDS: I consider one dose of Simmons' Liver Regulator worth \$100. I was constipated, had headache, could eat nothing with satisfaction or appetite; had the blues and felt altogether out of sorts. I resorted to blue mass, calomel, quinine and all remedies suggested, but only obtained temporary relief. One dose of S. L. R. did me more good than the \$100 worth of doctors and doctoring. Respectfully,  
T. C. MARKLEY.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid liver, and I have been entirely cured by the use of Simmons' Liver Regulator. I found it to be of so mild a character in its action as not to interfere, in the least, with my duties in the school room. To those similarly situated and subject to same, I cannot too highly recommend Simmons' Liver Regulator.
